

METROPAWS APP CONCEPT REV.0 BUSINESS REQUIREMENTS BRIEF FOR APP DEVELOPMENT

PROJECT NAME: MetroPaws Digital Wellness Platform

PROJECT OBJECTIVE:

To provide MetroPaws members with a digital platform where they can:

- Manage their membership • Track pet wellness records • Submit benefit claims • Receive reimbursements • Earn PawPoints • View partner establishments • Monitor benefit utilization

CORE BUSINESS MODEL

MetroPaws is NOT a discount platform.

MetroPaws is a membership-based pet wellness ecosystem.

Members pay an annual membership fee.

In return, they receive:

- Wellness Benefits • Cashback Benefits • PawPoints Rewards • Pet Wellness Tools • Community Access

MEMBER JOURNEY

STEP 1

Member registers.

STEP 2

Member purchases annual membership.

STEP 3

Digital MetroPaws Pet Pass is activated.

STEP 4

Member visits preferred clinic or groomer.

(No partner required.)

STEP 5

Member pays provider directly.

STEP 6

Member uploads proof of transaction.

STEP 7

MetroPaws verifies claim.

STEP 8

Approved benefit is reimbursed to member.

STEP 9

Benefit utilization dashboard updates automatically.

MODULE 1 MEMBERSHIP MANAGEMENT

Functions:

• Member Registration • Login • Profile Management • Membership Status • Membership Renewal • Digital Membership Card

Dashboard Shows:

• Membership Number • Expiry Date • Membership Tier • PawPoints Balance

MODULE 2 PET PROFILE MANAGEMENT

Each member may register pets.

Pet Information:

• Pet Name • Species • Breed • Birthdate • Sex • Weight • Vaccination History • Medical Notes

MODULE 3 WELLNESS BENEFIT WALLET

Purpose:

Tracks available benefits.

Example:

Annual Veterinary Benefit: ₱1,000

Annual Grooming Benefit: ₱500

Dashboard:

Vet Benefit Remaining: ₱850

Grooming Benefit Remaining: ₱350

Utilization: ₱300 Consumed

MODULE 4 CLAIMS & REIMBURSEMENT

Member uploads:

• Official Receipt • Invoice • Proof of Payment

System captures:

• Provider Name • Date • Amount • Category

Member submits claim.

Status:

Pending Under Review Approved Rejected Paid

MODULE 5 CLAIMS VALIDATION

Phase 1

Manual Validation

MetroPaws Admin reviews claims.

Phase 2

AI-Assisted Validation

Receipt Recognition

Duplicate Detection

Fraud Detection

MODULE 6 REIMBURSEMENT ENGINE

Example:

Transaction: ₱500

Benefit: 10%

Reimbursement: ₱50

System automatically computes:

Eligible Amount Remaining Benefit Balance Utilization %

MODULE 7 PAWPOINTS REWARDS

Members earn points for:

• Membership Renewal • Benefit Utilization • Referrals • Event Participation

Dashboard:

Current PawPoints Lifetime PawPoints Available Rewards

MODULE 8 PARTNER DIRECTORY

Future Expansion

Shows:

• Veterinary Clinics • Grooming Salons • Pet Hotels • Pet Stores
